

Working with the dataset

Loading the dataset

Team id	PNT2022TMID45164
Project name	Retail Store Stock Inventory Analytics

The screenshot shows the IBM Cognos Analytics with Watson interface. At the top, there is a navigation bar with the text "IBM Cognos Analytics with Watson", a search bar labeled "Search content", and user profile icons. Below the navigation bar, a progress bar is visible with the text "Analyzing Inventory Management Dataset.csv" and a "Cancel Details" link. The main content area features a large welcome message: "Hello. Welcome to Cognos Analytics with Watson." Below this message, there is a paragraph: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Two buttons are present: "Watch video" and "Take a product tour". The background of the main content area is dark blue with a 3D isometric illustration of data cubes and charts.

^ Quick launch

The screenshot shows the "Quick launch" section with four tiles, each with an icon, a title, and a description:

- Upload data**: Upload or drag and drop spreadsheets, csv files, and
- Prepare data**: Use data modules to clean and connect data from
- Exploration**: Quickly find unbiased answers by identifying trends
- Present data**: Create sophisticated, multi-page, multi-query
